With Fr. Duncan's new assignment, it has become necessary to begin adjusting our Mass schedule sooner than anticipated. Effective this Monday, March 18th, our normal weekday Mass schedule will be:

6:30 AM on Monday, Tuesday, Thursday, and Friday

8:00 AM on Wednesday

There will be occasional exceptions to the new pattern. For example, with the Solemnity of St. Joseph on Tuesday, March 19th, we will offer Masses at both 6:30 and 8:00 AM. Please be sure to check the bulletin to keep apprised of the liturgical schedule. I'm sorry we have come to this moment so abruptly. Change is seldom easy, especially when it means we must say farewell to someone who has become a dear part of our Cathedral family.

In choosing to retain more of the 6:30 AM Masses, I considered the relative abundance of later Masses at neighboring parishes, while recognizing that the only other 6:30 AM Mass in the city is at Immaculate Conception. For your convenience, St. Martin parish offers a 5:30 PM Mass on Tuesday, and a 7:50 AM Mass Wednesday through Friday. St. Peter's has a 7:00 AM and a 12:03 PM Mass Tuesday through Friday. And Immaculate Conception, St. Andrew parish in Holts Summit, and St. Stanislaus in Wardsville each have an 8:00 AM Mass as part of their normal weekday schedule. I acknowledge the strong desire to attend daily Mass at one's home parish. But as our priest shortage continues to grow, it will be more urgent than ever to see ourselves as a unified Catholic community in the Jefferson City area.

Our reduction in weekday Masses is also an effort to respect the laws of the Church. A priest is given the faculty to celebrate one Mass per weekday, with a second Mass permitted in cases of pastoral necessity. For example, a priest may licitly offer daily Mass and a funeral Mass on the same day. It can be tempting for a pastor to try to celebrate two Masses per weekday on a regular basis. However, this type of commitment can ultimately result in a mechanical celebration of the Mass, viewing the Mass as a job to be done rather than a prayerful, loving encounter with Christ. Therefore, the Church urges her pastors to be prudent, so that the Eucharist will be celebrated with dignity each and every time.

For those wondering about utilizing retired priests to help fill our schedule, please know that our retired priests have already taken on extra commitments to assist us. Their ministry in our local nursing homes and hospitals, visiting the homebound, helping to hear confessions, serving as spiritual directors, and assisting with Hispanic ministry has been a great benefit and blessing. Regarding the possibility of Communion services, Bishop McKnight has asked that Communion services be offered at the parish only in emergency situations, on days of obligation. It is my firm hope that we will never be without a priest on Sundays and holy days of obligation at the Cathedral.

Potential changes to the Sunday morning schedule are being considered by our Parish Council, and I am waiting to hear their recommendations before making any adjustments to the weekend schedule. In closing, I simply want to thank everyone who has prayed for our presbyterate and given us your kind and strong support. May God bless you!

Fr. Louis

None of this would be possible without your ongoing generosity. THANK YOU!

TAP INTO FAITH

The Catholic Church and Science—Over the years the Catholic Church has had its critics concerning its impact on science. Some have gone so far as to claim that the Church has stood in opposition to advances in science. What is the truth?

• Did the Church oppose the voyage of Columbus, claiming the world was flat?

• Did the Church imprison Galileo due to his scientific discoveries?

• Did the Church oppose Darwin and his work on evolution?

• What is the Church's stance on the Big Bang Theory?

Please join Deacon John Schwartze as he explores these issues and more. Find out the truth about the Church and its contributions to science throughout the centuries. The next Tap into Faith will be held on Thursday, March 21st, at Prison Brews in the side room. The talk begins at 7:00 p.m. Come early and enjoy a bite to eat and a beverage.

REST IN PEACE

The Cathedral Parish Family extends its sympathy and prayers to the family of Kathryn Stokes of our parish and to the family of John Guy Newberry, father of Michael Newberry of our parish and grandfather of Noah & Katy.
