

## To all our visitors...

Bishop John R. Gaydos, the clergy and the faithful of the Diocese of Jefferson City welcome you and hope that your time in our Mother Church may be an opportunity to share our faith and joy in Our Lord Jesus Christ.

Our parish was formed in 1959 and was elevated to the title of Cathedral in 1968 and dedicated in 1974. Please enjoy the beauty of this spacious building dedicated to the Glory of God and the memory of Saint Joseph, the Husband of Mary. It was built for the inspiration of all who enter. Free tour booklets are available.

All visitors who are not of the Roman Catholic faith are most

welcome to join us in prayer and worship, but not to receive Holy Communion. Reception of Holy Communion is a sign of full unity and membership in the Catholic community. Together let us all pray for the unity of all believers.

If you desire to become a member of the Roman Catholic Church or to become a member of the Cathedral Parish, please call the parish office at 573-635-7991.

All contributions to the Cathedral ministries and maintenance are sincerely appreciated. Please remember this Cathedral parish in your Will, gifts and estate plans to support our parish's ongoing mission.

## STEWARDSHIP REFLECTION

Our Second Reading from St. Paul's letter to the Romans is quite short, but as is ever the case with Holy Scripture it contains a central message which is quite important to us. One of the ongoing challenges of being Catholic and Christian in today's society is that society, cultural norms, sometimes seem to work against our efforts to live as followers and disciples of Christ. Paul sums up that struggle succinctly as he says, "Do not conform yourselves to this age, but be transformed by the renewal of your mind, that you may discern what is the will of God, what is good and pleasing and perfect." Paul offers two suggestions in terms of combating the temptation to conform and agree. First, he calls for a "renewal" of our minds. Often in today's society the standard opinion is that it is feelings, how we feel, that are most important. Living in that way ignores the mind approach. Second, if we do try to sort things out intellectually we can only be successful in God's eyes if we seek truth. The question we must pose to ourselves and to which we need to seek a conclusion is not "How do I feel?" or even "What do I think?" The important question for us is "What is true and what does God's Word say?" The philosopher and author C. S. Lewis defined truth simply when he wrote: "No philosophical theory which I have yet come across is a radical improvement on the words of Genesis, that '... in the beginning God made heaven and earth'."
